may 28 2021 i have recently come across the code gt in r it is a vertical line character pipe followed by a greater than symbol here is an example mtcars gt head what is the gt code

nov 25 2014 i have seen the use of gt percent greater than percent function in some packages like dplyr and rvest what does it mean is it a way to write closure blocks in r

a carriage return r makes the cursor jump to the first column begin of the line while the newline n jumps to the next line and might also to the beginning of that line

the infix operator is not part of base r but is in fact defined by the package magrittr cran and is heavily used by dplyr cran it works like a pipe hence the reference to magritte s famous

and providing a more immersive learning experience.
