the old catholic church of the united states is a catholic family of faith based within the united states as inheritors of apostolic succession from the western latin catholic church the ancient oriental churches and the eastern byzantine orthodox churches we possess a rich theological heritage we are a sacramental church embracing the fullness of christianity as expressed within catholic understanding we stand holding fast to the teachings of the ancient faith in a modern society that is often hostile towards christians in general and catholics in particular and choose to obey the timeless message of christ rather than yield to the spirit of the age i am very happy with the contents and feel that yet again it is a wonderful work and look forward to having this in print to use here in the uk most rev david bowler provincial ordinary of the united kingdom as a comprehensive detailed old catholic catechism it is an indispensable aid to studying the faith most rev andre queen provincial ordinary of the western united states

foreword by cardinal christoph schoenborn the theme of this book is that the catechism of the catholic church perhaps the most important work on catechesis since the apostolic age offers not only a new definitive account for our times of the full teaching of the catholic faith but also that

it is a superbly crafted work from which to learn and to teach the faith this book reveals the pedagogy embedded in the catechism showing every teacher parent catechist or student how to discover the key principles that enable one to learn from and teach from the catechism the compendium of the catechism of the catholic church speaks of the wisdom of the presentation of the catechism and of the depth of its spirituality these points have rarely been explained in any sustained way and have never before been systematically treated the unique point about this book is that it focuses on these points rather than a simple explanation of the content of the catechism this book offers a pedagogical approach to the catechism for handing on the faith of the catholic church in any setting whether home school and parish it offers perennially valid teaching points drawn from a perennial text and an explanation of the pedagogy of god which underpins all authentic teaching methods in the church in this way the book offers a twelve step path to recovery out of unhealthy catechetical addictions and obsessions which have bedeviled the catechetical world it is unique in its origin emerging from a catechetical friendship encouraged by cardinal schönborn between three institutions working in an authentic catholic catechetical tradition the three authors display a deep trust and love for the words of the catechism of the catholic church words that hold a rich heritage and can be pondered lovingly and searchingly since they are for our good for everyone s good

for the first time in 400 years the catholic church has authorized an official universal catechism which instantly became an international best seller the catechism of the catholic church using this official catechism the highly regarded author and professor peter kreeft presents a complete compendium of all the major beliefs of catholicism written in his readable and concise style since the catechism of the catholic church was written for the express purpose of grounding and fostering catechisms based on it for local needs and ordinary readers kreeft does just that offering a thorough summary of catholic doctrine morality and worship in a popular format with less technical language he presents a systematic organic synthesis of the essential and fundamental catholic teachings in the light of the second vatican council and the whole of the church s tradition this book is the most thorough complete and popular catechetical summary of catholic belief in print that is based on the universal catechism

the first edition of the new catechism went out across the world in many language versions this gave the local churches the chance to study it in depth through their bishops and teachers they responded with comments on texts that needed refinement the present edition was developed in the light of these comments and published in latin as the definitive editio typica this book is the english translation of the editio typica
