lori emerson examines how interfaces from today's multitouch devices to yesterday's desktops from typewriters to emily dickinson's self-bound fascicle volumes mediate between writer and text as well as between writer and reader following the threads of experimental writing from the present into the past she shows how writers have long tested and transgressed technological boundaries reading the means of production as well as the creative works they produce emerson demonstrates that technologies are more than mere tools and that the interface is not a neutral border between writer and machine but is in fact a collaborative creative space reading writing interfaces begins with digital literature's defiance of the alleged invisibility of ubiquitous computing and multitouch in the early twenty first

century and then looks back at the ideology of the user friendly graphical user interface that emerged along with the apple macintosh computer of the 1980s she considers poetic experiments with and against the strictures of the typewriter in the 1960s and 1970s and takes a fresh look at emily dickinson s self printing projects as a challenge to the coherence of the book through archival research emerson offers examples of how literary engagements with screen based and print based technologies have transformed reading and writing she reveals the ways in which writers from emily dickinson to jason nelson and judd morrissey work with and against media interfaces to undermine the assumed transparency of conventional literary practice

reading writing connections from theory to practice is an extraordinary language arts methods text that enables elementary and middle school teachers to create classroom environments where all students can become lifelong readers and writers focusing on developmentally appropriate methods and materials this remarkably readable book empowers a new generation of teachers to integrate reading writing listening and speaking in k 8 classrooms heller s highly accessible writing style makes this book suitable as a primary text for undergraduate and graduate courses in language arts reading writing and literacy special features of this second edition include a vision of how to transform cutting edge theory and research into classroom practice that utilizes integrated language arts instruction a unique developmental perspective with separate chapters on teaching methods and materials for kindergarten primary 1 3 intermediate 4 6 and middle grades 7 8 instructional guidelines that offer generous detailed suggestions for applying theory to practice plus for you to try and for your journal exercises that encourage critical thinking and reflection and a wealth of classroom vignettes examples of students oral and written language illustrations and figures that accentuate interesting and informative theory research and practice in addition reading writing connections offers expanded content on the impact of sociocultural theory and the whole language movement on the teaching of reading and writing across the curriculum greater emphasis on cultural diversity including new multicultural children s literature booklists that complement the general children s literature bibliographies and current information on alternative assessment emerging technologies the multiage classroom reader response to literature and thematic teaching

academic writing often requires students to incorporate material from outside sources like statistics ideas quotations paraphrases into their own written texts a particular obstacle for students who lack strong reading skills in connecting reading and writing in second language instruction alan hirvela contends that second language writing students should be considered as readers first and advocates the integration of reading and writing instruction with a survey of theory research and pedagogy in the subject area although the integrated reading writing

model has gained popularity in recent years many teachers have little more than an intuitive sense of the connections between these skills as part of the popular michigan series on teaching multilingual writers connecting reading and writing in second language instruction will provide invaluable background knowledge on this issue to esl teachers in training as well as teachers who are already practicing

give students the power of language by using the inspiring ideas in this very readable book
