winner of the pulitzer prize the richest and most powerful single document of the american experience in world war ii the boston globe the good war is a testament not only to the experience of war but to the extraordinary skill of studs terkel as an interviewer and oral historian from a pipe fitter s apprentice at pearl harbor to a crew member of the flight that dropped the atomic bomb on nagasaki his subjects are open and unrelenting in their analyses of themselves and their experiences producing what people magazine has called a splendid epic history of wwii with this volume terkel expanded his scope to the global and the historical and the result is a masterpiece of oral history tremendously compelling somehow dramatic and intimate at the same time as if one has stumbled on private accounts in letters

locked in attic trunks in terms of plain human interest mr terkel may well have put together the most vivid collection of world war ii sketches ever gathered between covers the new york times book review i promise you will remember your war years if you were alive then with extraordinary vividness as you go through studs terkel s book or if you are too young to remember this is the best place to get a sense of what people were feeling chicago tribune a powerful book repeatedly moving and profoundly disturbing people

common and destructive limited wars are significant international events that pose a number of challenges to the states involved beyond simple victory or defeat chief among these challenges is the risk of escalation be it in the scale scope cost or duration of the conflict in this book spencer d bakich investigates a crucial and heretofore ignored factor in determining the nature and direction of limited war information institutions traditional assessments of wartime strategy focus on the relationship between the military and civilians but bakich argues that we must take into account the information flow patterns among top policy makers and all national security organizations by examining the fate of american military and diplomatic strategy in four limited wars bakich demonstrates how not only the availability and quality of information but also the ways in which information is gathered managed analyzed and used shape a state s ability to wield power effectively in dynamic and complex international systems utilizing a range of primary and secondary source materials success and failure in limited war makes a timely case for the power of information in war with crucial implications for international relations theory and statecraft

this book analyzes the foreign policy decision making processes of presidents john f kennedy lyndon b johnson richard nixon george h w bush george w bush and barack obama during military intervention by way of contemporary foreign policy decision making models fpdms

tells what key individuals think about the war what the really important lessons are and what the participants should have learned chronology and list of witnesses 30 photos maps and charts

never before in the history of mankind have so few people had so much power over so many the people at the top of the american national security establishment the president and his principal advisors the core team at the helm of the national security council are without question the most powerful committee in the history of the world yet in many respects they are among the least understood a former senior official in the clinton administration himself david rothkopf served with and knows personally many of the nsc s key players of the past twenty five years in running the world he pulls back the curtain on this shadowy world to

explore its inner workings its people their relationships their contributions and the occasions when they have gone wrong he traces the group s evolution from the final days of the second world war to the post cold war realities of global terror exploring its triumphs its human dramas and most recently what many consider to be its breakdown at a time when we needed it most drawing on an extraordinary series of insider interviews with policy makers including condoleezza rice colin powell henry kissinger senior officials of the bush administration and over 130 others the book offers unprecedented insights into what must change if america is to maintain its unprecedented worldwide leadership in the decades ahead

this study provides analyses into the concepts of war and peace as found in the jewish christian and muslim religions it covers topics such as the traditions of the prophets theologies of war theologies of peace and unholy war

beginning with 1962 references are not limited to material in the english language

covers each of the sea battles of world war ii as recorded in ship logs intelligence documents official reports and servicemen interviews
