Lawrence Durrell's *The Alexandria Quartet* is regarded as the central work in his fiction. It has provoked critical commentary ever since the appearance of its individual volumes: *Justine* (1957), *Balthazar* (1958), *Mountolive* and *Clea* (1959), and the publication in a one-volume edition in 1962. Scores of master's and PhD dissertations have been written since the 1960s on this most compelling and provocative novel. Today *The Alexandria Quartet* stimulates critical discussion in works addressing the city, Durrell's representation of Alexandria, the theory of relativity, the role of memory, the recurring feature of the

doppelgänger and the presence of the gothic uncanny his frequent references to d h lawrence his treatment of women characters his interest in gnosticism and his own description of the quartet as a strange mixture of sex and the secret service this volume of essays addresses all these themes and brings together the mature work of four scholars on this central work of durrell s fiction together with two essays on its sequels tunc nunquam 1968 70 and the avignon quintet 1974 85

the condition of greece ever since its establishment as a sovereign state in 1830 has been the subject of intense international debate centring on its pivotal role in the balkans this has been aggravated by greece s economic collapse in 2010 and by the ongoing refugee crisis by environmental disasters terrorism and the macedonian question this book s analysis and assessment of greek social cultural and political life is trenchant up front and passionate based on the author s belief that one cannot love greece without also mourning the fault lines in bureaucracy and the dynastic politics which have dominated it since its inception this book features a selection of the author s letters from greece from the irish times and his eye of the xenos from the greek newspaper kathimerini in its entirety in both english and a greek translation including columns which kathimerini refused to print due to the nature of their political commentary

this volume presents a number of original essays on aspects of lawrence durrell which have not previously been discussed durrell 1912 1990 was the ground breaking author of the alexandria quartet tunc nunquam the revolt of aphrodite and the avignon quintet and of many plays volumes of poetry and essays this volume by one of the world s foremost experts on durrell s life and work explores his early literary connections with henry miller anaïs nin alfred perlès and david gascoyne in topics such as surrealism and psychology it features new insights into durrell s approach to popular literature greek politics and sexual orientation and establishes durrell s mental states from an examination of his private notebooks it presents a composite portrait of a writer obsessed with the themes of identity creativity sexuality and freedom
