in this innovative and original collection people are seen as active agents in the development of new ways of understanding the past and creating histories for the present chapters explore forms of public history in which people's experience and understanding of their personal national and local pasts are part of their current lives

history is a testament to what happened to a people or a place it shows how things were and their transformation while explaining why the changes happened not only does history allow human beings to trace their trajectory in dealing with

specific issues they face in the affairs of making a living it also highlights movements between people around the world while showing their role in creating systems still in place today history reveals to us major contributors of the trading systems along the east coast of africa documenting the role of the swahili people and their interactions with different people of the world the swahili people and their language discusses ways in which the swahili people came to occupy a prominent position in the world s trading system and how they lost their wealth through their contact with the outside world the book highlights the strategic position occupied by the swahili people their natural resources their skills and their rich cultural mix and how the contact with the outside world played a major influence that is clearly noticeable to date the book contributes to the on going discussion about africans and their participation in today s development and reminds readers that the creation of the current economic social and political situation of the swahili people mirrors the history and positioning of many other formerly independent societies that became colonized nation states the authors provide discussions that shade light on critical questions such as who are the swahili people and why are they important is there such a thing as a swahili civilization if so what is it and how does it relate to modern civilization what place does the swahili language occupy both in its history and usage on the continent and in the rest of the world

sex and the sexual have for far too long been consigned to the dark corners by social scientists in general and tourism and leisure scholars in particular sex and the sexual during people s leisure and tourism experiences seeks to begin to rectify this situation by bringing the position and nature of sex and the sexual into the light of academic debate as such this book is designed to highlight cross disciplinary emerging work on sex and the sexual in leisure and tourism and provide the readers with insights into this social realm it encompasses a broad array of sex related issues and tourism and leisure environments from across a variety of countries the book should appeal to researchers and students across the humanities and social sciences both for the value of the research in its own right and the ability of it to be used as a lens through which to view the position of sex and the sexual as well as tourism and leisure in today s world overall it is argued that sex and the sexual should play a part in the academic discourse especially if we wish to describe what is actually happening out there as far as tourism and leisure are concerned

w e b du bois was a public intellectual sociologist and activist on behalf of the african american community he profoundly shaped black political culture in the united states through his founding role in the naacp as well as internationally through the pan african movement du bois s sociological and historical research on african american communities and culture broke ground in many areas including the history of the post civil war reconstruction period du bois was also a prolific author of novels autobiographical accounts innumerable editorials and journalistic pieces and several works of history written in very accessible prose these two booklets originally published in 1930 allowed w e b du bois to reach a wide audience with an interest in africa what is so incredible about the two africa

booklets is their lasting relevance and value to the study of africa today coupling du bois s breadth of scholarship with his passion for the subjects the analyses in these booklets are integral to the study of africa many of his arguments foreshadowed the issues and debates regarding africa in the twentieth century expertly synthesized in an introduction by emmanuel akyeamong this edition of the two africa booklets is essential for anyone interested in african history

people make wish each moment and each time through out life time some come to past others were left undone have you ever wonder about love have you ever wonder about justice have you ever wonder about how this world will appear in the next 10 to 100 years or more are you asking question about future america are you wondering about the kind of thought the next european fellow and those of australia should hold in the next 100 years about this world and justice are you feeling the pulse coming from african or the heart beat of those in asia after reading through this book feel free to get back to me
