our hearts are restless till they find their rest in thee
prophetic wisdom in a time of anguish
from coleman b brown edited by michael granzen and lisa a masotta
the book includes powerful reflections from chris hedges peter ochs and joshua brown

as christians we are called to live a life of thankfulness to god
how do we do this we listen to what god tells us in his word and live as he calls us to
this study companion on the letter of james aims to deepen our relationship with god by gaining a better understanding of who we ought to be and how we are to live
james teaches us how we are to deal with trials and temptations what true wisdom is and how a genuine saving faith can and will be reflected in all we say and do
learn to live for christ as we take a deeper look at the letter of james

no one escapes this life without heartbreak emotional pain and suffering
god promises to heal your wounded scarred broken and shattered heart
counseling therapy and even medications have limits on the depth of healing they can provide
sometimes only a direct intimate specific supernatural word from the sovereign creator of the universe can heal an emotional wound
we have a role and responsibility in our healing relationship with jesus
god cannot heal us without our active participation beyond even prayer
we must place ourselves in the proper spiritual and emotional position to receive god's healing word into our hearts
that position is biblical stillness when god commands us to be still
he is serious
god wants us to be still according to his definition of stillness
being still does not come naturally but we can learn specific strategies and techniques to move into still space from that posture
we can receive the gravitas of his word that heals us immediately

a journey is a collaboration and culmination of many steps
sometimes our steps move us forward or backwards
sometimes we take steps to the left or to the right
our goal should be that our steps move us toward a definite destination
we hope that our steps are taking us nearer to that which will make us stronger better or even be greater people
as our steps are crucial
our end point is as well if we want to have the life that

god has in store for us we need to be walking toward him daily god has a life of peace and joy for us not problem free but one of peace not without tribulations or trouble but one of triumph in order for us to possess this life god has to be our end destination he has to be the one that we are focusing and he has to be the one that we are depending upon in order for us to grow in the lord and step closer to him we must be intentional it would be wonderful if we could just wake up and be spiritually stronger than we have ever been before but that is not reality we must be systematic and strategic if we are going to grow in the lord this book will help and lead you to grow spiritually jesus said if we are to follow him we are to take up our cross daily one step closer is a tool that will not only strengthen us now it will impact our eternity
