a landmark manifesto issuing a bold call for a one state solution to the israeli palestine conflict the reigning consensus in elite and academic circles is that the united states must seek to resolve the palestinians conflict with israel by implementing the so called two state solution establishing a palestinian state so the thinking goes would be a panacea for all the region s ills in a time of partisan gridlock the two state solution stands out for its ability to attract supporters from both sides of america s ideological divide but the great irony is that it is one of the most irrational and failed policies the united states has ever adopted between 1970 and 2013 the united states presented nine different peace plans for israel and the palestinians and for the past twenty years the two state solution has been the centerpiece of u s middle east policy but despite this laser focus american efforts to implement a two state peace deal have failed and with each new attempt the middle east has become less stable more violent more radicalized and more inimical to democratic values and interests in the israeli solution caroline glick senior contributing editor to the jerusalem post examines the history and misconceptions behind the two state policy most notably the huge errors made in counting the actual numbers of jews and
