this book traces the trajectory of militant jihadism to show how violence is more intentionally embraced as the centre of worship social order and ideology undertaking an in depth analysis of militant jihadist groups and utilising the work of rené girard joel hodge argues that the extreme violence of militant jihadists is a response to modernity in two ways that have not been sufficiently explored by the existing literature firstly it is a manifestation of the unrestrained and escalating state of desire and rivalry in modernity which militant jihadists seek to counter with extreme violence secondly it is a response to the unveiling and discrediting of sacred violence which militant jihadists seek to reverse by more purposefully valorising sacred violence in what they believe to be jihad relevant to anyone interested in islam philosophy of religion theology and terrorism violence in the name of god imagines new ways of thinking about militancy in the name of islam in the twenty first century

this compilation of works highlights the historical economic and human dynamics behind youth offending in the nations of the west indies youth crime and violence in the caribbean offers insights into the slow rate of system change yet leaves readers with an optimistic picture of possibilities recent events in haiti and neighboring venezuela demonstrate how quickly dynamics in the caribbean area can shift if crime is not addressed and people increasingly disengage from systems in a manner that allows despots to rise to power when this happens the impacts are not localized

this section covers a whole range of human rights issues including violence against women trafficking and female genital mutilation you will find several excellent new titles that show how activists are working to end gender specific violence including breaking the earthenware jar which offers lessons from south asia and with an end in sight which describes a number of successful initiatives from around the world our best selling rights of women is also featured here titles on armed conflict and the peace process can be found in a separate section as well as looking at recent law reforms actions by police and women s bureaux campaigns by women s groups and the opening of crisis centres and shelters in the english speaking caribbean and suriname this book also offers recommendations for action includes regional human rights instruments model legislation bibliography statistics list of organizations
