from terra nullius to land of opportunities and last frontier the european dream has constructed and deconstructed australia to feed its imagination of new societies at the same time australia has over the last two centuries forged and re invented its own liaisons with europe arguably to carve out its identity from the arts to social sciences to society itself a complex dynamic has grown between the two continents in ways that invite study and discussion a transnational research group has begun its collective investigation project of which this first volume is the outcome the book is a substantial multidisciplinary collection of current research and offers critical perspectives on culture literature and history around themes at the heart of the imagined australia project the essays instigate reflection discovery and discussion of how reciprocal imagining between australia and europe has articulated itself and ways and dimensions in which a relationship between communities imagined and not has unfolded

australia is one of the most ethnically diverse societies in the world today from its ancient indigenous origins to british colonisation followed by waves of european then international migration in the twentieth century the island continent is home to people from all over the globe each new wave of settlers has had a profound impact on australian society and culture the australian people documents the dramatic history of australian settlement and describes the rich ethnic and cultural inheritance of the nation through the contributions of its people it is one of the largest reference works of its kind with approximately 250 expert contributors and almost one million words illustrated in colour and black and white the book is both a comprehensive encyclopedia and a survey of the controversial debates about citizenship and multiculturalism now that australia has attained the centenary of its federation

textbook for tertiary students which provides documentary sources as well as commentaries from academics in the field to outline the historical development of the australian welfare state suitable for introductory courses in social welfare politics sociology and public policy the material is presented in five parts including policies for the employed in the last century the struggle of australian women to receive employment and child related benefits from the state the development of policies relating to indigenous and immigrant australians and how the welfare state has dealt with the aged and refugees the final part considers documents in

australian history that contrast discordant understandings of the purposes of the welfare state includes a table of contents an index and list of references also available in hardback

this book develops an account of inclusive multicultural governance which is contrasted with assimilationist and separatist differentialist approaches to the political management of and accommodation of multicultural diversity in liberal democracies

migration of the south asian peoples to australia has resulted in a continually growing and flourishing diaspora one of the most prosperous communities with an ever increasing role and responsibility in all areas of society one of the challenges in writing about the south asian diaspora in australia is the nature of the beast the multifarious migration and entry points into australia range from colonial indentured workers to political asylum seekers to transnational marriages to students and high end professionals how did their journeys and experiences generate bridges that have influenced the historical cultural social and academic perceptions of the ever changing continents it is hoped that this critical anthology will help present a dynamic community in transit and showcase the achievements of the south asian diaspora during the last decade which have not only made a significant impact on australia s multicultulural landscape but also furthered south asian australian engagement

this book contains information about aboriginal culture and ceremonies language words and descriptions that may be considered offensive or distressing these words reflect the attitude of the period in which the item was written and or that of its author
