Wars of the Roses; Or, Stories of the Struggle of York and Lancaster – War College Series *John Gillingham William Hanna Edward CUST (Hon. Sir) John A. Wagner Levi ben Gershom Christine Carpenter Robert J. Norrell Hugh Bicheno Yigael Yadin Edmund Tyrrell Green Albert von Boguslawski R. B. 1883–1941 Mowat James Aitken WYLIE Oscar Browning Murat Halstead United States. War Department Emanuel Swedenborg John G. 1834–1864 Edgar*

frequently remembered only as a period of military history which both saw the french beat the english and then the english fight amongst themselves traditional historians have tended to regard the wars of the roses as an episode that wrecked england s military greatness john gillingham s highly readable history separates the myth from the reality he argues that paradoxically the wars of the roses demonstrate how peaceful england in fact was from the accession of the infant henry vi to the thrones of england and france in 1422 to the accession of henry vii following the battle of bosworth in 1485 gillingham uses his gift for graphic description particularly with his exciting account of the 1471 campaign to great effect he is also good at placing the warfare within its european context especially in showing the problems encountered in conducting a civil war within a normally peaceful country the wars of the roses is an irresistible account of a fascinating period of history that makes available to a much wider audience the work of historians of recent decades incisively written and highly readable sunday times john gillingham is emeritus professor of medieval history at the london school of economics and political science 1 on 19 july 2007 he was elected into the fellowship of the british academy he is renowned as an expert on the angevin empire his other titles include oliver cromwell portrait of a soldier endeavour press is the uk s leading independent publisher of digital books

this authoritative a z encyclopedia of the wars of the roses provides accurate and concise descriptions of the major battles and events and the principal historical figures and issues involved for centuries historians agreed about the wars of the roses seeing them as four decades of medieval darkness and chaos when the royal family and the nobility destroyed themselves fighting for control of the royal government even shakespeare got into the act dramatizing popularizing and darkening this viewpoint in eight plays today based on new research this has become one of the most hotly controversial periods in english history historians disagree on

fundamental issues such as dates and facts as well as interpretation most argue that the effects of the wars were not as widespread as once thought and some see the traditional view of the era as merely tudor propaganda a few even claim that england during the late 15th century was a society organized for peace historian john a wagner brings readers up to date on the latest research and thinking about this crucial period of england s history

the wars of the lord is the major treatise of levi ben gershom of provence one of the outstanding philosophers of the medieval world this work examines in detail most of the controversial issues that had preoccupied the medieval mind immortality of the human soul prophecy human freedom divine providence creation of the world miracles

this is a new interpretation of english politics during the extended period beginning with the majority of henry vi in c 1437 up to the accession of henry vii in 1509 the later fifteenth century in england is a somewhat baffling and apparently incoherent period which historians and history students have found consistently difficult to handle the large scale revisionism inspired by the classic work of k b mcfarlane led to the first real work on politics both national and local but has left the period in a disjointed state much material has been unearthed but without any real sense of direction or coherence this book places the events of the century within a clearly delineated framework of constitutional structures practices and expectations in an attempt to show the meaning of the apparently frenetic and purposeless political events which occurred within that framework and which sometimes breached it at the same time it takes cognisance of all the work that has been done on the period including recent and innovative work on henry vi

how history was used in the wars of the twentieth century perpetual war for perpetual peace looks at how historical thinking shaped decisions for war and peace in germany and the united states during the twentieth century it examines the writing and public careers of the leading historians in each nation robert j norrell suggests it is useful to analyze where the discipline of history has succeeded and failed to understand war and the many attempts to institute lasting peace the narrative of this book testifies to the avid commitment of historians statesmen and the public to understanding the past and how these lessons and perspectives can influence the present

england 1454 a kingdom sliding into chaos the mentally unstable king henry vi having struggled for a decade to contain the violent feuding of his magnates loses his mind disgruntled nobles back the regal claims of richard duke of york great grandson of edward iii the stage is set for civil war the first volume of an enthralling two part history of the dynastic wars fought between the houses of lancaster and york battle royal traces the conflict from its roots in the 1440s to the early 1460s a period marked by the rise and fall of richard of york the deposition of henry vi following the lancastrian defeat at towton and the subsequent seizure of his throne by richard s son edward populating this late medieval saga of ambition intrigue and bloodshed are such fascinating characters as the vacillating henry himself his indefatigable queen marguerite of anjou richard of york father of kings but never king himself his opportunist ally richard neville the kingmaker and the precociously virile edward of york charting a clear course through the dynastic and factional complexities of fifteenth century power politics and offering crisply authoritative analysis of the key battles of the wars of the roses battle royal is a compelling and rigorously researched account of england s longest and bloodiest civil war
