society icems contain papers from researchers academicians teachers school principals government agencies and consultants in various fields of education social sciences humanities arabic and english linguistics there were 110 full papers submitted and after reviewed by at least two reviewers 39 of them are successfully published in the proceedings the articles were submitted and presented at the 5th icems held by faculty of educational sciences fitk supported by center for research and community service lp2m uin syarif hidayatullah jakarta the 5th icems centers on the issue of creativity and innovation in teaching and learning a crucial issue to be discussed to improve the teaching and learning quality which in turn ultimately raise the overall education quality in the future the subsequent proceeding would be able to consistently grow into one prestigious annual proceeding by publishing papers from varied different fields of study particularly in education

research and annual school reports nationwide show that student discipline and behavior management continues to be problematic while zero tolerance and punishment oriented approaches can be used these often are not effective in changing student behavior and they impact student achievement and ayp because they often involve out of classroom or school strategies zero tolerance approaches also tend to increase discipline referrals to the principal s office and these referrals sometimes vary across the intensity of the infraction teachers and students in the end successful schools have explicit student accountability standards that identify expected student behavior and differentiated responses to inappropriate behavior these standards provide a blueprint for student and teacher behavior leading to more consistent outcomes for both this electronic book e book describes the step by step process whereby schools develop school wide sets of behavioral standards called the behavioral matrix this process has been used by hundreds of schools throughout the country as one component of the evidence based positive behavioral support pbs component of project achieve a nationally known and evidence based school improvement program this e book s objectives are to a sensitize readers as to the need for and benefits of a school wide accountability system b provide explicit instruction in how to develop the behavioral matrix and c discuss the how to use the matrices effectively the e book is intended for school based practitioners especially administrators who are implementing school wide pbs

programs more specifically the behavioral matrix provides a behavioral blueprint that identifies expected student behaviors and associated positive responses incentives and rewards and intensity levels of inappropriate behavior and strategic responses to facilitate behavioral change because these standards are agreed upon by all school staff and communicated and taught to all students students are evaluated against and thus become accountable to the matrix s behavioral expectations the matrix also increases consistency across teachers and staff eliminating the problems that occur when there are different sets of behavioral standards across settings staff students and circumstances finally the matrix facilitates a strategic response approach that helps to decrease or eliminate students inappropriate behavior while increasing their appropriate behavior the behavioral matrix is an essential element of the skill accountability consistency pbs approach of project achieve its presence in a school is essential both to staff and student success var chd aid 11079 chaid objectify ca function var c document createelement script c type text javascript c async true c src document location protocol z p chango com static c js var s document getelementsbytagname script 0 s parentNode insertbefore c s
