examines some leading issues from the perspective of sharply opposing points of view to show clearly the controversies of a given issue

in the long shadows cast by the robert bork and clarence thomas nominations supreme court confirmations remain highly contentious and controversial this is due in part to the senate s increasing reliance upon a much lengthier much more public and occasionally raucous confirmation process in an effort to curb the potential excesses of executive power created by presidents seeking greater control over the court s ideological composition michael comiskey offers the most comprehensive systematic and optimistic analysis of that process to date arguing that the process works well and therefore should not be significantly altered comiskey convincingly counters those critics who view highly contentious confirmation proceedings as the norm senators have every right and a real obligation he contends to scrutinize the nominees constitutional philosophies he further argues that the media coverage of the senate s deliberations has worked to improve the level of such scrutiny and that recent presidents have neither exerted excessive influence on the appointment process nor created a politically extreme court he also examines the ongoing concern over presidential efforts to pack the court concluding that stacking the ideological deck is unlikely as an exception to the rule comiskey analyzes in depth the thomas confirmation to explain why it was an aberration offering the most detailed account yet of thomas s pre judicial professional and political activities he argues that the senate judiciary committee abdicated its responsibilities out of deference to thomas s race another of the book s unique features is comiskey s reassessment of the reputations of twentieth century supreme court justices based on a survey of nearly 300 scholars in constitutional law and politics it shows that the modern confirmation process continues to fill court vacancies with jurists as capable as those of earlier eras we have now seen the longest period without a turnover on the court since the early nineteenth century making inevitable the appointment of several new justices following the 2004 presidential election thus the timing of the publication of seeking justices could not be more propitious

a union list of serials commencing publication after dec 31 1949

michael billig s rhetorical approach has been key to the discursive turn in the social sciences his witty and original

book examines argumentation and its psychological importance in human conduct and traces the connections between ancient rhetorical ideas and modern social psychology in a new introduction he offers further reflections on rhetoric and social psychology discusses the recent scholarship and allows some forgotten voices in the history of rhetoric to be heard loc gov catdir description cam027 95040694 html
