being strong in the lord is essential for successful christian living this is the underlying premise of christian meat for christian muscles strength in the lord means that every area of our lives will benefit from a good dose of spiritual nutrition with jesus as the main course how so our self esteem can benefit our character can benefit our wisdom can benefit and so to can our faith our love and our appreciation of christian values it will require strength to lay hold of these spiritual treasures because there is a mighty battle on to stop us but thankfully spiritual strength is dispensed directly from the lord spiritual nutrition from jesus christ is what he meant when he himself said unless you eat the flesh of the son of man and drink his blood you have no life in you whoever eats my flesh and drinks my blood has eternal life and i will raise him up at the last day john 6 53 54 niv of course hes talking about his own gospel which has the power to save us strengthen us and make us worthy of his name and of gods mighty kingdom this book will examine pivotal verses that facilitate the strengthening process see sandtorock com for more info on this important topic

food what we eat how much we eat how it is produced and prepared and its cultural and ecological significance is an increasingly significant topic not only for scholars but for all of us theology on the menu is the first systematic and historical assessment of christian attitudes to food and its role in shaping christian identity david grumett and rachel muers unfold a fascinating history of feasting and fasting food regulations and resistance to regulation the symbolism attached to particular foods the relationship between diet and doctrine and how food has shaped inter religious encounters everyone interested in christian approaches to food and diet or seeking to understand how theology can engage fruitfully with everyday life will find this book a stimulus and an inspiration

in the late fourteenth century the iberian peninsula was home to three major religions which coexisted in relative peace over the next two centuries various political and social factors changed the face of iberia dramatically this book examines this period of dynamic change in iberian history through the lens of food and its relationship to religious identity it also provides a basis for further study of the connection between food and identities of all types this study explores the role of food as an expression of religious identity made evident in things like fasting feasting ingredient choices preparation methods and commensal relations it considers the role of food in the formation and redefinition of religious identities throughout this period and its significance in the maintenance of ideological and physical boundaries between faiths this is an insightful and unique look into inter religious dynamics it will therefore be of great interest to scholars of religious studies early modern european history and food studies

part 2 is here this is the second installment of topics in the christian meat for christian muscles series especially designed to pack more nutrition per page to those meat loving christian readers and thinkers who devoured part 1 and who want to live in god s perfect will continuing with the underlying premise that strength in the lord is essential for successful christian living we target more areas of our lives that can benefit from the spiritual nutrition that is ours through jesus christ we trust all our readers are tasting more of his victory in their lives and we boldly make this faith filled prediction the battle to stop us from becoming better christians is raging in vain we are becoming stronger in the lord and his power every day the confidence and joy that comes with developing bigger christian muscles is overflowing we

use this strength to fight the good fight to gladly give to our poor brother to compassionately forgive our weak brother to lovingly serve our big brother and as a community of brothers in christ we are growing to successfully live in god s perfect will see sandtorock com for more info on this important topic

since the days of the early church christians have struggled to find a way to be good to please god by their own efforts they end up carrying a burden god never intended them to bear and what s more their brand of christianity ends up looking like any other religion of the world bound by joyless rules and rituals fritz ridenour s study of the book of romans provides an antidote to the pharisaical spirit and shows that christianity is not a religion but a relationship it is not people reaching up but god reaching down all christians can enjoy their birthright when they realize who they are in christ the result is a life full of hope joy power and potential

a group of scholars have applied their expertise in biblical studies theology philosophy resource management communication and generational farming to write an accessible response for christians who rightly believe that meat eating is a gift from god this book responds to leading challenges from animal activism outside the church
